

FEDERAL QUARANTINE IS FURTHER EXTENDED

Authorities Taking Stringent Measures to Cope With Foot and Mouth Disease.

NINE STATES NOW UNDER BAN

Spread of Disease Makes Certain Increased Cost of Putting Down Epidemic—Chicago Union Stock Yards Closes for Nine Days.

WASHINGTON, November 6.—Further spread of the livestock foot and mouth disease caused the extension of the Federal quarantine to-day to two more States, Massachusetts and Iowa. Cattle, sheep and hogs now cannot be moved out of Michigan, Indiana, Illinois, Ohio, Pennsylvania, Maryland, New York, Massachusetts or Iowa.

In addition to the States already quarantined, a suspected case exists at Como, Miss., where, it is reported, a herd owner himself has contracted the disease. The Federal authorities are advising State officials to impose a stringent quarantine against infected farms, and even to prevent children from leaving the farms to attend school. New cases have been found in Pennsylvania and in Illinois.

The spread of the disease makes certain an increased cost of putting down the epidemic. It would not surprise officials if the cost of the epidemic, the \$2,000,000 expended by the Government to eradicate the disease from among its cattle a few years ago, than the \$300,000 spent in fighting the 1908 outbreak. The expense of having inspectors trace the various shipments from infected centers will be large. Ten new inspectors were rushed to-day to Wisconsin, Iowa and Massachusetts. Department officials have suggested to promoters of the Royal Cattle Show to be held in Kansas City this fall, that the event should be postponed.

UNION STOCK YARDS CLOSED FOR NINE DAYS

CHICAGO, November 6.—A large part of the cattle-receiving and meat-packing industry of the country, long centered in Chicago, to-night temporarily was shifted to Kansas City, Omaha and other Western cities. The Chicago Union Stock Yards for the first time since its organization, in 1865, was closed down for nine days because of hoof and mouth disease among cattle. The quarantine against all cattle pens in the State went into effect at midnight. The State's action supplements the Federal quarantine against Illinois.

No more cattle, sheep or hogs are to be received in Chicago until November 16, when business is to be resumed after the yards have been thoroughly disinfected. The packers to-night sent to Western branches 1,000 butchers to dress animals which ordinarily would have been sent to Chicago. They declared the products of the slaughter plants would be sufficient to supply the market without advance in price.

The herd of 600 infected cattle was augmented by 215 more cattle and 600 hogs. No sheep so far have been affected.

DISEASE DISCOVERED

BUTTE, MONT., November 6.—Foot and mouth disease has been discovered in Montana. A carload of cattle was cut out of a train at Glendove to-day and quarantined.

SITUATION IN NEW YORK OF GREAT SERIOUSNESS

ALBANY, N. Y., November 6.—The foot and mouth disease situation in New York State is of the utmost seriousness, according to a statement issued to-night by the State Agricultural Department, based on reports from officials of the State. It is possible, the statement says, that quarantine will have to be placed against so many counties that the movement of cattle even for short distances, will be seriously interfered with.

WILL NOT CAUSE RISE IN PRICES OF MEAT

NEW YORK, November 6.—Dealers at the open markets, recently established by the city, assured Borough President Marks, of Manhattan, to-day that the live stock quarantine in various parts of the country would not cause a rise in the prices of meat here. Mr. Marks was informed that retailers generally have declared a 2-cent increase, effective next week.

CITIZENS OF PULASKI WANT A FEDERAL COURT

Movement Is Launched at Meeting of Members of Bar and Business Organizations.

PULASKI, Va., November 6.—At a meeting of the members of the bar and the Chamber of Commerce and the Merchants Association, held Wednesday night, a movement was inaugurated looking to the establishment of a Federal Court at Pulaski. In view of the approaching expiration of the \$50,000 for a new post-office building, which has not yet become available, members of the bar have been instrumental in having Congress designate Pulaski as a post-office city, and appropriate an additional sum to the amount set aside for the post-office building for the construction of a building which would serve as a post office and courthouse.

At the meeting held Wednesday night it was decided to have a banquet here on the night of November 28, to which all invited members of the bar from adjacent counties and others who may be interested, at which time it is proposed to lay the plans in full before the visitors, who are asked to ask their endorsement. A special committee to perfect the plans is composed of John S. Drayton, A. T. Herdridge, Jr., and F. W. Morton, of the bar; C. Price, of the Chamber of Commerce; and E. E. Grayson and Wythe. The merchants expect to be ready to present to Congress the petition soon after the banquet is held. The Government has already acquired valuable building site for the post-office building, which will be made large for the proposed building.

The meeting was presided over by F. W. Morton, and A. T. Herdridge, Jr., secretary. It was attended by a large and representative body of business men in addition to the members of the bar.

EDITORS IN FISTICUFF

Honors About Even in Clash Between Staunton Newspaper Men.

[Special to The Times-Dispatch.] STAUNTON, Va., November 6.—Following a series of personal attacks on A. T. Moore, manager of the Daily News, Hiram L. Ople, editor of the Leader, attacked him on the street to-day. A furious fist fight followed, in which honors were about even. One gloved editor had a knot between the eyes and the other had his lips cut before they were separated. Editor Ople is an ardent advocate of physical culture, and much the larger of the two. The fight was over editorials of a political nature, in which personal attacks have become mixed. Both belaguerers were summoned to appear for fighting. Each brought a different partisan faction, and the encounter has created quite a stir.

VILLA WILLING TO QUIT TO ELIMINATE CARRANZA

Notifies Aguascalientes Convention He Will Resign Command of Troops and Retire to Private Life.

RECEIVED WITH APPLAUSE

No Action Taken Pending Report of Commission Which Went to Puebla to Notify Carranza of Selection of Gutierrez.

WASHINGTON, November 6.—General Villa has formally notified the national convention at Aguascalientes of his willingness to resign command of his troops and retire to private life if that is necessary to bring about the elimination of General Carranza. The convention, according to to-day's official reports, received Villa's communication with applause. No action was taken on it, pending the report of a commission which went to Puebla to notify Carranza of the selection of General Gutierrez as Provisional President.

Villa's statement is in answer to the stipulations of General Carranza that Villa and Zapata should be eliminated from military authority.

According to reports from American Consul Billman, resistance by Carranza to the convention's orders will depend on the attitude of General Pablo Gonzalez, commander of the Division of the East. He is at Queretaro with several officials, and Carranza has indicated that he will remain loyal to Carranza. Carranza's visit to Obregon, commander of the Division of the Northwest, is believed by officials here, may have an important bearing on the situation, as Obregon had declared his loyalty to the convention, and will endeavor to persuade Carranza not to plunge Mexico into civil war.

Five thousand Villa troops were invited to Aguascalientes by the convention to guard the city, according to to-day's dispatches, when General Gonzalez, accompanied by Carranza, arrived at his headquarters, 100 miles south of Aguascalientes. No fighting had taken place when to-day's report was dispatched, both sides awaiting the outcome of the conferences at Puebla.

Gutierrez has stated to American agents that as soon as he is sworn in, he will issue a proclamation, giving the government desired by the United States before withdrawing its forces from Vera Cruz. Villa has agreed to support Gutierrez, and Carranza has agreed to support Carranza.

POPE BENEDICT WRITES TO AGUASCALIENTES

ROME, November 6.—Pope Benedict, writing under the date of October 25, sent a paternal letter to the Archbishop of Mexico, comforting him and the Mexican episcopate in their distressing situation, in that they have been almost all forced into exile.

The Pontiff encourages the Mexican clergy to trust in a better future, and says that he and his prayers will be for the triumph of the church and of justice. In the meanwhile he sends them money for the aid of such priests as have been deprived of their possessions, and asks them to support the emigrants driven from their homes. He regrets that his poverty does not permit him to send more. Reports received at the Vatican depict the present condition of the Catholic Church in Mexico. According to this information, priests have been expelled from their dioceses and exiled to Vera Cruz or other States. Sacred images have been broken and trampled upon, and churches have been used for barracks, stables and public dancing halls. The use of the church has been refused by the clergy. The vicar-general of Mexico, under threat of pillage of the churches, was obliged to give the administration of the archdiocese and the Catholic university, the archbishopric and several Catholic colleges at Puebla were converted into barracks.

These reports contain a long list of indignities to the church, which include insults to the clergy and cries of "Down with the Pope."

GUTIERREZ TAKES OATH AS PRESIDENT

AGUASCALIENTES, November 6.—General Gutierrez took the oath of office as Provisional President of Mexico at noon to-day. He was escorted into the convention hall by a committee composed of Generals Angeles, Perez and Obregon. Other committees met the party at the door of the chamber, and both committees accompanied the new President to the rostrum. The oath was administered by General Jose Isidro Robles, acting president of the convention. In the absence of President Villareal.

In his inaugural speech, General Gutierrez said: "I have accepted this honorable charge for the reason that you have seen fit to honor me with the same, and because the convention has indicated its desire that I should do so. I did not seek the high office, nor did I desire it, but I am anxious to prove to you that I will obey all the orders of this convention. From to-day on I will consider as traitors all enemies of this honorable assembly, and from the 10th instant I shall do so in my power. I discharge my duties in conformity with the desires of the majority of this convention."

General Gutierrez will assume his duties as Provisional President Tuesday next at noon, which is the time given General Carranza to indicate his unqualified withdrawal from office as first chief and recognition of the sovereignty of the convention. A delegate who arrived from Mexico City to-day brought copies of a telegram received by General Carranza a few days since from General Huerta. The message followed: "Hon. Venustiano Carranza, Mexico City: 'Please accept my deepest sympathy, and let me know if I may prepare a comfortable home for you and your family. (Signed) 'VICTORIANO HUERTA.'"

MOTHER LOSES PRINCE, RACE TO SAVE HER SLEEPING CHILD

BRISTOL, Va., November 6.—A mother's frantic race to save her child to-day, when she stumbled and fell within a few feet of the track as a fast train, rounding a curve, came suddenly upon the sleeping child and sent its form hurtling from the rails. Earl, the two-year-old son of Mr. and Mrs. Bud Curtis, had strayed from the family home in a Bristol suburb and was asleep on the Southern Railway track, when the mother hearing the train approaching, rushed to the rescue. The little boy's skull was crushed, and to-night he is lying in a local hospital.

ELECTION OF DEMOCRAT CONCEDED IN COLORADO

DENVER, Colo., November 6.—Republican State Chairman Stewart (this afternoon conceded the election of United States Senator Charles S. Thomas, Democrat, over Hubert W. H. Republican, by at least 1,000 plurality.

REPUBLICANS ACHIEVE INVISIBLE VICTORY

Thomas J. Pence Thinks Tuesday's Elections Nothing Short of Marvelous.

DEMOCRATS GAIN SENATORS

By Maintaining Majority in House Following Revision of Tariff, Party Smashes Every Political Precedent Since Foundation of Government.

[Special to The Times-Dispatch.] WASHINGTON, November 6.—Thomas J. Pence, secretary of the Democratic National Committee, had this to say to-night of Tuesday's elections. "The result of Tuesday is nothing short of marvelous in the light of the facts. The Republicans have achieved a victory invisible. They do not control any branch of the Federal government."

"The Republican press talks of a victory achieved at the polls. What was it? They lost three United States Senators while the Democracy elected all of its Democratic Senators and increased its majority in the Senate from 19 to 16."

"In the light of the political history of the nation, the Republicans should have carried the House, but they didn't. Instead, the Democratic party smashed every political precedent established since the foundation of the government and elected a Democratic House by the largest majority ever given a political party, following a revision of the tariff laws."

"Not only has the party made decisive gains in the Senate, which insure control of that body for many years to come, but all records have been broken in the election of a majority in the House, following a revision of the tariff laws."

"In analyzing the result of Tuesday, the fact should not be overlooked that the Republican party in 1898 protested by a war with a foreign country, otherwise it could hardly have survived the ensuing congressional election."

"The Democratic was at distinct disadvantage, because it had to bear the brunt of a war tax and face demoralized business conditions, resulting from the greatest war in the history of the human race. With the commerce of the nation temporarily throttled as a result of this world-wide condition, and forced to enact a war tax on the eve of the congressional elections, the administration went before the people and achieved a victory never before approached by a dominant political party following a revision of the tariff."

DEMOCRAT FOR SENATE LEADS IN WISCONSIN

MILWAUKEE, WIS., November 6.—Unofficial tabulation of Wisconsin's United States Senator to-day showed that of approximately 24,000 votes, Paul O. Husting, Democrat, had a lead of from 1,200 to 1,600 votes over Governor Francis E. McGovern, Republican. It seems certain that only the official canvass will decide.

Returns from Polk County are missing, but it was asserted that in the estimates a fair plurality for Governor McGovern in that county had been allowed for.

WOMAN LEADS ENTIRE DEMOCRATIC TICKET

PRESCOTT, ARIZ., November 6.—Mrs. Frances Munda, Democrat, of Yavapai County, was Arizona's first woman State Senator. In Tuesday's election she led the entire Democratic ticket.

FATE OF WOMAN SUFFRAGE NOT YET DETERMINED

HELENA, MONT., November 6.—Only an official canvass can reveal whether or not woman suffrage has triumphed in Montana. Ballots in a dozen counties have been sealed up without being opened, and the official amendments. Returns from about half the State give the amendment a majority of about 1,000.

"DRY" IN ILLINOIS WILL PRESS MEASURES

CHICAGO, November 6.—Claiming the "dry" forces will have a majority of three in the Illinois Senate, and probably two in the House, E. J. Davis, Chicago secretary of the Illinois Anti-Liquor League, to-day said the anti-liquor forces would press a residence district option act and a measure to prevent shipping of alcoholic drinks into dry territory.

DEMOCRAT CLAIMS LEAD GIVEN BY LATE RETURNS

CHICAGO, November 6.—The election of J. McLean Davis, Republican, as Congressman at large from Illinois, was disputed to-day by William E. Williams, Democrat, and the Illinois Democratic candidate claimed late returns had given him a plurality.

MAY REQUIRE OFFICIAL COUNT TO DETERMINE

LOS ANGELES, CAL., November 6.—It probably will require the official count to determine the result of Tuesday's election in the Ninth California Congressional District. Late to-day Charles W. Bell, the Progressive incumbent, led Charles S. Randall, Democrat, by ninety-three votes. The official count showed Bell, 15,724; Randall, 16,681.

BALL NETS \$1,000

Accounts Will Be Settled at Meeting Next Thursday.

From reliable sources it was stated last night that more than \$1,000 was raised at the Red Cross ball held at the Gray's Armory, Wednesday night, for the relief of the European war sufferers. Accounts will be settled next Thursday, when it will be definitely known just what amount was raised. Mrs. Caskie Cabell, of the committee, stated yesterday that a meeting will be held Thursday night at 11 o'clock at the Jefferson Hotel, when all accounts will be settled, and the amount of the proceeds will be made known.

BULL MOOSE LEADERS TO DO NOTHING HASTILY

All of Profound Mystery Surrounds Meeting of Executive Committee in New York.

ROOSEVELT DOES NOT ATTEND

Members Decline to Talk, but It Is Learned That Very Discouraging View of the Outlook Is Shared by Most of Those Present.

[Special to The Times-Dispatch.] NEW YORK, November 6.—The Bull Moose party will do nothing hastily. After an all-day session of the executive committee of the organization, it was decided to hold another meeting on December 2 in Chicago, at which time it will be decided what is to be done with the muddled and trampled remnants of Tuesday's Armageddon.

Three members of the executive committee of nine attended to-day's gathering, viz.: George M. Perkins, chairman; William Mann, of Pennsylvania; and Harold Ickes, chairman of the Cook County, Ill., committee, was present with a proxy from Miss Jane Addams, also a member of the body.

Colin Roosevelt was not on hand. Secretary Davis declared the Colonel was not a member of the executive committee, and had never attended one of its meetings, thereby establishing for him a perfect alibi for his absence. Others who participated in the informal post mortem were former Senator A. J. Beveridge, of Indiana; Bainbridge Colby, of New York; Charles D. Coffey, of Buffalo; Oscar S. Straus, F. M. Davenport, late candidate for Governor, and Chauncey Dewey.

The absentees were Brown, of Ohio; Lammie of California; Lindsay, of Colorado; Dixon, of Montana, and McCormick, of Illinois.

An air of profound mystery surrounded the meeting, which assembled shortly after 1 o'clock. A. M. took a recess at 2, and then continued in session again from 3 until 5 o'clock P. M. It was suggested to Mr. Perkins that the future of the Progressive party was in the hands of the Bull Moose party.

"That's nonsense," he replied. "The election was only held on Tuesday, and we haven't got complete returns yet." Mr. Perkins didn't intimate, however, that he looked for anything encouraging to the Progressives in the revised returns.

"It is just a meeting for talk," said Secretary O. K. Davis. "It was called last week, before the election, and I also heard the European war mentioned."

After Mr. Davis had made public these illuminating remarks, a request was sent to Mr. Perkins for a statement. He seemed word back that he had nothing to add to what Mr. Davis had said. Mr. Davenport was then requested to oblige. He relayed word that he had nothing to add to what Mr. Perkins had said. None of the other Bull Mooseers present would discuss the situation further. It was learned later, however, that a very discouraging view of the outlook of the party was shared by the majority of those present. The financial situation is particularly distressing, and is the subject which must have attention between now and the Chicago conference next month. In the absence of financial backing, it is said to be growing precarious, there are grave fears that the party will melt away.

Secretary Davis had a conference with Colonel Roosevelt at Oyster Bay on Thursday night, and there will be other conferences between the Colonel and the leaders between now and December 2.

There were intimations to-day that conferences might also be had with Republican leaders looking to some sort of an understanding with the Progressives. The United Republican front might be presented to the enemy two years hence.

"The Bull Moose is the Federal league of politics," said a Republican leader, "and I expect to see peace before the opening of the next presidential season."

FREDERICKSBURG, Va., November 6.—James Latane and Miss Marjorie Linder Khol Flemmer, both of Westmoreland County, were united in marriage last night at St. Peter's Episcopal Church at Oak Grove, in that county. The bride was given in marriage by her father, Miss Bertha Flemmer, of Washington, played the wedding music. Miss Ellen Flemmer, sister of the bride, was maid of honor, and the bridesmaids were Misses Bessie Latane, Cornelia Flemmer, Emily Pendleton, Margaret Wilson, Lawrence Latane, and the ushers were Dr. Augustine Latane, Albert Wilson, George Roosevelt Flemmer and John Taylor. Following the ceremony a reception was given at the bride's home, 1111 Westland, the home of Mrs. Wirt. Many guests were present from a distance. Mr. and Mrs. Latane left for a Southern bridal trip, and upon their return, will reside at the old Washington homestead in Westmoreland County.
